We're doing full suite of metals but toxicologist spoke to those...I don't have reasoning/explanation tho (only heard part of conversation)...but we can talk to folks in the morning.

Subject: Gold King Mine Release - dissolved metals

Hello Everyone,

Dissolved metals information is posted on the website – www.epaosc.org/goldkingmine.
Click on documents (either at the top of the website or right side of page); it's titled "data report." Thanks, Gina
